

HOW TO OPEN A PAYPAL account. Go to www.paypal.com

It just takes a few simple steps taking minutes, you will need your name, address, mobile number (for security checks) and later on any of your payment card details. Thats it!

1. Click on *sign up*

2. You need a *personal account*

3. Fill out all your basic details and click *Continue*

4. Fill out your address, date of birth and email, mobile number (they use this as a security check) click *Agree and Continue*

5. Add your debit and / or credit card to use for any future payments. then click *add your card*

You are now ready to pay using any of the payment cards you have just added to paypal via your paypal account!
